Gluten Replace whole wheat flour with a cup-for-cup gluten-free flour alternative

Dairy Omit Parmesan cheese

Nourishment Note

Chickpeas

Chickpeas are an excellent source of plant-based protein and fiber. Fiber is particularly beneficial for those with MS because it can help with digestive regularity and may reduce the risk of heart disease.

Instructions

1. Wash Hands

Wash hands with soap and water.

2. Combine Chickpeas, Lemon Juice and Flour

In a large bowl, stir together the chickpeas, lemon juice, lemon zest, flour and salt. Mash with a fork until chickpeas are well mashed. Alternatively, add ingredients to a food processor or blender and blend. Stir in Parmesan cheese and basil.

3. Form Patties

Roll chickpea mixture into 8 similarly sized balls. Flatten into patties and place on a plate.

4. Fry Patties in a Large Skillet

In a large skillet, heat oil over medium-high heat. Add 3-4 patties to the pan and cook for 1-2 minutes, or until golden brown and crispy. Flip and cook for an additional 1-2 minutes. Repeat with remaining patties, adding more oil if necessary. Place cooked fritters on a paper towel-lined plate.

5. Serve and Enjoy

Serve hot and enjoy!

6. Wash Hands

Wash hands with soap and water.
